

Welcome! Heritage Christian has been providing a Christ-centered, academically-challenging environment to students for over 45 years – founded in 1971 by the Tacoma Bible Presbyterian Church. It is a privilege for us to have educated thousands of children over the years. Families have chosen Heritage as their partner in educating and growing their children for many different reasons, with three reasons in particular standing out:

Heritage provides a Christ-centered learning environment. A Heritage education supports families according to Biblical guidelines (Deut. 6:7, Eph. 6:4). Our primary purpose is to lead our students to receive Jesus as Savior, to live according to Biblical truths, and to become responsible citizens. All students enrolled at Heritage memorize Scripture verses each week, as well as selections from the Westminster Catechism. Weekly chapel services include time for musical worship and hearing Biblical messages. Special programs, such as the annual Christmas program, emphasize spiritual truths and involve all students. Our teachers teach from a distinctly Christian worldview throughout every subject area. All these things are done with the desire to instill a love for God and a love for God’s Word in our students’ hearts.

Heritage provides an academically-challenging learning environment. We seek excellence in all things, but especially in academics. We strive to maintain a rigorous academic standard for all our students. Students at Heritage routinely score in the top 20% nationally on standardized exams. Average scores from spring 2016 reflect our commitment to high-quality education:

K-8 Avg.	Reading	Language Arts	Mathematics
	88 th percentile	81 st percentile	84 th percentile

Note: Scores are mean NPR scores from 2016 Terra Nova.

Heritage provides the most affordable private Christian education in the area. The economy continues to affect many families. These days, parents must make great sacrifices to provide high-quality private education for their children. Because of our commitment to providing Christian education to as many families and children as possible, we have kept tuition rates as low as possible. The chart below shows the 2017-2018 annual tuition for one elementary and one middle school student at the different private schools in this region. On average, Heritage is \$2750/year cheaper for elementary students, and \$3200/year cheaper for secondary students.

	HERITAGE	Tacoma Baptist	Cascade Christian	Concordia Lutheran	Life Christian	Lighthouse Christian
Elementary	\$5770	\$7,800	\$8,610	\$8233	\$9,218	\$8,500
Secondary	\$6350	\$9,000	\$10,330	\$8959	\$10,142	\$9,050
