Parent Commitments

1. We have read the school's abbreviated doctrinal statement. We are aware that the school's position is elaborated in the Westminster Confession and The Shorter Catechism, and we agree to have our child trained in accordance with it. We further pledge to keep doctrinal controversy and denominationalism out of the school at all times.
2. We hereby invest authority in the school to discipline our child according to Biblical guidelines and principles.
3. We agree to support and comply with school standards and policies.
4. We agree that if our child should become involved in any dispute with other children in the school, we will not complain to the other parents but will inform appropriate school personnel and allow them to resolve the matter without interference.
5. We agree that if a conflict should arise with school personnel, we will go directly to the person involved and will not refer such problems to the principal or school board until we have honestly sought out the person concerned.
6. We agree to pay Heritage Christian School the tuition required for the complete school year in ten monthly payments (Sept. – June). We understand that tuition payments are processed through F.A.C.T.S., a tuition management company. We understand we must sign a contract with F.A.C.T.S. authorizing automatic withdrawals from the family's bank account. If we are unable to make a payment on time, we will contact the school office before the payment becomes late and make other arrangements. We understand that no records will be released until all accounts are current.
7. If you need to withdraw your student(s) before the school year is completed, written notification must be submitted to the office 10 days prior to your student(s) departure. Your family will be responsible for the full month of tuition of the month you are currently in. As a private school, budgets are made and predicted income is needed for the school to meet those budgets. Please see the Student/Parent Handbook online (heritagecs.net) for the full withdrawal policy.
8. We understand that assessments will be made to pay for damages to school property caused by my child (e.g. abuse of books, broken windows, broken equipment/furnishings, etc.).
9. We give our permission for our child to participate in all scheduled school-sponsored activities, including field trips. We understand that there are risks with any activity, and we assume full responsibilities for risks and liabilities that may arise from our child participating in school activities.
